We are a family business based in Spennymoor and have been operating from our shop at 75 High Street since 1964. Portraits are important from babies first photos, families, anniversaries, birthdays and graduations, to record memories for a lifetime.

With every studio sitting we take as many photos as required, any combination of groups or individual photos.

Studio Sitting with A4 Preview Sheets. **£30.00**

Prints can be ordered from these sheets at the prices shown opposite. Multi image prints can be designed to any size required and can be viewed on our computer for your approval before printing.

PICTURE FRAMING SERVICE

We have a wide range of both traditional and contemporary moulding's and a variety of plain or coloured mounts. Prints can be sealed using the latest protective coverings and textures and can then be framed without the need for glass. Please ask to see samples.

Prints are supplied in folders or mounted. Framed print prices are for standard mouldings different styles available on request.

Boxed USB Memory Stick containing copyright free images of all photographs. **£195.00**

Please feel free, if you have any queries to contact me via our shop, website, Facebook page or Instagram.
